FIRST CLASS HONOURS FOR HELP BBUS STUDENTS AT LEADING UK UNIVERSITIES

"The HELP Bachelor of Business programme was a life-changing experience. Not only did I obtain a full scholarship to enter the University of the West of England in Bristol, UK and graduate with First Class Honours; the lecturers and the teaching standard at the Faculty of Business, Economics & Accounting were superlative. They genuinely care for your academic and personal well-being. I loved all the subjects. Their advice: 'If you have any problems, come and talk to me' was reassuring and provided us the emotional stability to excel in our studies."

"The BBus programme at HELP prepared me well for studies at UCB because it honed my writing skills, and contributed to my success in the UCB programme which was completely assignment based. But it was the compulsory module on Business Research in HELP University that

really made a difference for me. The drilling in methodology and accurate referencing helped me cope with the rigorous demands of my dissertation on Risk Management under the supervision of an expert in the field."

AT THE FACULTY, WE PROVIDE FACULTY-SPECIFIC SUPPORT SERVICES AND PROGRAMMES TO SUPPORT STUDENTS.

STUDENT CLUBS & ACTIVITIES

COUNSELLING SERVICES

Counselling services are offered as a form of early intervention to assist students in various situations during their studies with the University. We believe we can help students when they:

- think they might have chosen the wrong field of study
- face challenging or distressing circumstances that may interfere with their studies
- require help to deal with various administrative issues e.g. appeals, feedbacks etc.
- require help on academic matters but do not know where to go to.

We may refer students to Centre for Psychological and Counselling Services (CPCS) colleagues when needed.

MENTORING

Our academic team provides one-to-one guidance during office hours for students who require additional coaching and guidance in their studies.

PEER TUTORING

Peer tutors are outstanding students who aspire to help their fellow juniors to deal with subject-specific issues. Peer tutors are available for selective subjects and/or upon request.

STUDENT BUDDY PROGRAMME

This programme matches the new students with senior students studying in the Faculty with the intention to assist the new students to adapt into the HELP culture and to allow the junior and senior

buddies to improve their listening and conversational skills in an informal and fun way. This programme will last for a period of one semester. Each new student will be assigned to a senior student as his/her buddy during his/her first semester in the Faculty.

EMPLOYABILITY & CAREER DEVELOPMENT

We create and maintain collaboration with Industrial partners. Our industry partners are invited to attend and provide feedback at the Final Year Project presentation by our students. Many of our students were offered jobs on-the-spot after their presentation. Our industry partners include KPMG, Deloitte, Frost & Sullivan, Amanah Raya, Nielsen, Wipro-Unza, OSK Group, Mediabrands, Huttons OneWorld, BDO, Leaderonomics, Warisan TC and many more.

INTERNSHIP OPPORTUNITY

Tailor-made for experiential learning, the Business Internship Programme gives students real insight into the world of work. It allows the students to apply the theories they learned at HELP in a workplace environment. This programme gives students the chance to test their skills in real-life situations, explore their career options and gain an insight into an organization or career path. Our partners for internship are, inter alia, KPMG, Deloitte, Frost & Sullivan, Mediabrands, Ogilvy & Mather, UOB Bank, Chart Nexus, and many more.

CLUBS & SOCIETIES

The University offers students an exciting and diverse learning experience. We emphasise active learning through real-life scenarios and industry-relevant experiences. Various opportunities and platforms are made available for students to apply what they have learnt in theory. One of the avenues available is to join the following clubs and societies.

- HELP Accounting Club
- HELP Business Student Ambassadors
- HELP Business Student Council
- HELP Business Peer Tutor Programme
- HELP Chinese Independent School Student Association
- HELP Investment Club
- Community Outreach Society
- Young Entrepreneur Club
